FATHER'S REFLECTION: 33rd Sunday A

God is good all the time. Each of us here today is gifted with some talents or gifts by God. What have we done or are doing with our gifts for our good, the good of our family, our church, our community, our state, our nation, and our world? Could we humbly and honestly say that we have used the free gift of God's grace and other gifts to us to make the world a better place, or made the kingdom of God visible on earth? On the other hand, have we rather misused the gifts and graces from God?
